

THE RAVEN LUNATICS – BIG DAY BIRDING CHALLENGE
BIRD-A-THON 2018

Every May, teams challenge themselves to find as many different species of birds as possible in Connecticut in a 24-hour period – and this year they are donating all their proceeds to Litchfield Hills Audubon Society!

Our Team: The Raven Lunatics - 5 of the very best birders in Connecticut!

Our own Dave Tripp and Fran Zygmunt, with Frank Gallo, Nick Bonomo and Dave Provencher

*****Pledge your support of this team and help LHAS fund its educational programs*****

Here's how it works:

- Make a pledge for every species of bird they find during the 2018 Challenge. You can challenge them even further by making a Special Challenge Pledge - offer an amount for the Raven Lunatics to find a particular species of your choice
- You can also make a larger one-time pledge – every bit helps and is greatly appreciated
- The team in turn pledges to spend 24 hours traversing the entire state of Connecticut in search of birds. The results will be sent to you shortly thereafter

Your donation will be used 100% to support Litchfield Hills Audubon Society's educational programs, and it is 100% tax deductible.
