A full-page view of a blank sheet of graph paper. The grid consists of thin, light gray horizontal and vertical lines forming small squares across the entire page. There are no margins, text, or other markings on the paper.

[illegible]

A blank sheet of graph paper featuring a light gray background with a white grid. The grid consists of horizontal and vertical lines forming small squares. On the left side, there are two columns of slightly larger squares, likely intended for writing labels or notes. The rest of the page is filled with standard-sized squares.
